### Reading of the voting guidelines

The BCASC shall conduct its business by a majority of those voting. Decisions that Affect money and guideline changes require 2/3 vote. For the purpose of conducting business, a meeting or subcommittee failing to attend 3 consecutive BCASC meetings will be considered inactive. Inactive status is not meant to be punitive, but it is meant to help the area's quorum (50% of active meeting make up a quorum). Active meetings are not counted when determining whether there is a quorum at a BCASC meeting. A meeting can return to active status upon attending 2 consecutive BCASC meetings.

- **Reports**
  - **(A) Chair Ralph**: Feb and March were very busy months. Please step up and be of service. Unity was amazing and so beautiful help remind us that Bay Cities will be celebrating 50 years this year. If you have one hour of time you could be of service to this area. June is the election and we need people to step up this whole board will be changing. Don't forget to support the women's luncheon and buy a plate of food.
  - **(B) Vice Chair Internal Jared**: Nothing much to report but to follow up to what Kai says GSR's are some of the most important people at these meetings, they bring back the group conscious, the vote, they take back all the information that is being discussed at area. So we need to have GSR's, and if you are not sure as to how to be

them cause of a perv. Upcoming LGBTQ pride event with Region that will be in Long Beach. Kday radio Women's conference in Los Angeles the last part in May. Will also be doing the Long Beach Marathon.
