

SBTW February 2026 Report - submitted by Mike S.

Hello, last night at 7pm we had our subcommittee meeting and everything went smoothly. 1st we had our prayers to open up the meeting then we talked about the chair report. I made it clear that we need a new vice chair to have everything go smoothly and attend the monthly policy meeting. We had Mel step up and now is the vice chair. Our secretary is having family issues right now and could not join. We all gave our sponsee report and they were all filled with recovery. I will be at area tonight to give our report and answer any questions. Our March meeting is the 26th at 7pm via zoom. Thanks!!
